

Boardroom

Boardroom tables provide modern executives with the distinctive impression of quality, precision & strength that makes a bold, visual statement in any boardroom. Table tops are designed to incorporate power and data capabilities, embracing the latest technology so you can break away from the predictable, old fashioned conference rooms and create new dimensions in boardroom design.

Deluxe Fliptop

Our deluxe fliptop tables allow you to create dynamic spaces for people to easily meet and collaborate. The full tilting underframe and user friendly, pivoted release mechanism ensures a smooth, controlled flipping action, with heavy duty castors that lock securely into place when tables are in use, and allow for easy manoeuvrability when the fliptop tables are nested together for convenient storage.

Monza

Classic, contemporary and refined are the words most often used to describe the Monza range. Tables are available in coffee and poseur table formats as well as standard height meeting or dining tables. With its slim profile base and tubular column, Monza has a timeless design that never goes out of style, and the choice of circular, square or rectangular tops allows for customisation of design and function.

Power Ready

Furniture and equipment that allows quick set-up and connections is a high priority so people can pick up where they left off in another working area. Table tops with circular cutouts are designed to incorporate power and data capabilities to transform office canteens and dining spaces, where employees can take their laptops, tablets and phones with them for a more connected, advanced working environment.

Power Modules

Café & Dining table tops with the suffix '-CO' are supplied with circular cutouts 80mm routed into the tops in a central position on the Monza ranges of coffee tables, dining height tables and high poseur tables.

An 80mm circular cutout is the ideal size for the cost-effective Ion power modules. The power module can then be dropped into position, with cables hard-wired into them which feed down through the hollow table column and under the base to the floor.
